Summary

Passionate about front-end development, web development and UI/UX design.

Hi there! I'm Muhammad Averroes, a 22-year-old software engineer from Central Jakarta, Indonesia. I'm currently pursuing a Full Stack Development Applied Degree in Software Engineering at EduCLaaS Academy, Lithan University.

- Proficient in React.JS, JavaScript, HTML, CSS, Bootstrap, jQuery, Java, MySQL.
- Skilled in creating stunning UI/UX design and developing fully responsive website
- Proven ability to deliver high-quality projects on time
- I am a dedicated, driven professional who thrives in collaborative environments and can handle pressure effectively. I am constantly eager to enhance my skills and stay up to date with the latest trends in web development.

If you're seeking a dedicated software engineer with a strong foundation in front-end development, I would love to connect with you. Let's explore opportunities to work together and create innovative web projects.

Feel free to reach out to me to discuss potential collaborations or to learn more about my work. I'm excited to connect with professionals who share my passion for the industry. muhammadaverroes1405@gmail.com

- Hobbies in cycling, swimming, and other physical activities
